Resources for Providers

- Consolidated Credentialing Verification Organization (CVO) Notification
 - [CVO Provider Notification](#)
 - [CVO Provider FAQ](#)
- 1. All DHP Professional Providers “Must” ensure their Standardized Texas Credentialing Application is “Fully” completed and “Updated” on CAQH.
- 2. To implement and move providers to a single re-credentialing date for all plans TAHP and the State have contracted with Aperture to conduct all CVO credentialing functions.
- 3. For Facilities/Ancillary and other providers a new paper application will be utilized or an on line application will be available in the future on Availity.
- 4. Providers will be notified when DHP Credentialing changes from DHP to Aperture. As of April 1, 2018 the use of the CVO is mandated by HHSC.
