Important Reminder: Texas Standard Prior Authorization Request Form

Providers should always ensure they are using the most current version of the Texas Standard Prior Authorization Request Form when submitting authorization requests.

As this is a Texas Department of Insurance (TDI) form, the most current version can be accessed directly from the TDI website:

Texas Standard Prior Authorization Request Form:

<https://www.tdi.texas.gov/forms/lhlifehealth/nofr001.pdf>

For convenience, the form is also available on the Driscoll Health Plan Prior Authorization website:

Driscoll Health Plan Forms and Checklists:

Using the most current version of the form helps prevent processing delays and ensures all required information is submitted for timely review.
