### Attention: Change Healthcare/Optum Update

DHP continues to experience issues receiving electronic claims through our clearinghouse Change Healthcare/Optum due to their cybersecurity event. Note that DHP has not experienced any impact to the security of our systems.

DHP has signed an agreement with Availity to provide an alternative clearinghouse solution for us to receive your electronic claims. We are currently implementing this solution and hope to have a solution available soon. Also, DHP will be extending the timely filing deadline to help accommodate for this downtime in systems.

While this solution is being implemented, as a reminder, DHP can accept and pay paper claims. Note that forms must be the standard CMS-1500 (professional) and CMS-1450 (UB04 institutional) claim forms that are printed in "red". DHP cannot accept handwritten claims. Mail the paper claim forms to:

Driscoll Health Plan  
Attention: Claims Department  
P.O. Box 3668  
Corpus Christi, TX 78463-3668

Providers are also able to submit claims to DHP using the free, web-based claim submission tool provided by TMHP. Refer to the TMHP Portal Security Provider Training manual at <https://www.tmhp.com/sites/default/files/file-library/edi/Portal-Security-Manual.pdf> for further instructions on submitting the claim.

Please call our Provider Line at 877-324-3627 if you have any questions. DHP will continue to provide updates regarding the status of the Change Clearinghouse Services.
