Preventive services may occur on visits other than well-child visits; however, services provided during an inpatient or ED visit do not count. The PCP does not need to be assigned to the member.

Assessment or treatment of an acute or chronic condition does not qualify for this measure.

Best Practices:

- Utilize reminder calls or texts before appointments and after missed appointments to reschedule
- Schedule appointments in advance or at the end of each appointment
- Conduct outreach to overdue patients
- Utilize the Driscoll Care Dashboard to close gaps for this measure and monitor progress
