--	---	--

The information listed below **ONLY** applies to DHP CHIP/STAR/SK (not LTSS, PDN PPECC, and PCS) Members.

For CHIP Perinate members, refer to the CHIP Perinate QRT.

For STAR Kids (LTSS, PDN, PPECC, AND PCS) members, refer to the DHP STAR Kids LTSS QRT.

Please submit prior authorization requests online at www.dhpproviderportal.com or fax to 1-866-741-5650.

All services must be medically indicated, evidenced by supporting clinical documentation.

Admission notification and prior authorization request is required within one business day of admission unless otherwise noted below or on the DHP Authorization Requirement Website at <https://driscollhealthplan.com/priorauthcheck>. Prior authorization requests will not be accepted after a claim has been submitted.

COB: Authorization is required for inpatient services if DHP is secondary payer. No authorization is required for observation services if DHP is secondary payer. Some outpatient services/procedure codes may require prior authorization regardless of DHP as secondary payer. Providers should verify authorization requirements on the DHP Authorization Requirement Website at <https://driscollhealthplan.com/priorauthcheck>. In cases where DHP is secondary payer and no prior authorization is required, as based on directive within the DHP Authorization Requirement Website, providers should verify the services are a covered benefit by the primary payer. If the services are known to be a non-covered benefit by the primary payer, prior authorization is required by DHP and proof of non-coverage of benefit must accompany the claim submission. If this is the case, providers should submit prior authorization requests via fax and indicate on the cover page service is a non-covered benefit or over the benefit limit for primary payer. Requests for services which are not a benefit or exceed the allowed limit will be reviewed on a case-by-case basis to determine medical necessity. Prior Authorization requests received after hours or during holiday closures will be processed with a start date of the following business day. Office-based procedures rendered during extended hours will be processed with a start date of date of service, provided requests are submitted to DHP within one business day.

Elective surgical procedures unrelated to the primary reason for admission will require a prior authorization. Unless otherwise specified below, all out-of-network services require prior authorization.

Unless otherwise specified below, authorization is required for ALL services which are either not a benefit or exceed the allowed benefit. These types of requests will be reviewed on a case-by-case basis to determine medical necessity.

*SERVICE	NO AUTH REQUIRED	AUTH REQUIRED
*Commonly requested services. Call to verify authorization requirement for services not listed		
Inpatient admissions/Observations/Outpatient Facility Surgeries/Office-based services		
Emergency Medical Conditions and Emergency Behavioral Health Conditions	x	
Inpatient admissions (non-delivery)		x
Elective surgical procedures unrelated to the primary reason for admission		x
Observations (non-OB)		x
OB Observations for diagnoses –related to pregnancy	x	
OB Observations for diagnoses unrelated to pregnancy (in-network or out-of-network)		x
Deliveries-routine	x	
Out-of-Network and Out-of-State routine deliveries and well-baby admissions	x	
Deliveries extending beyond 4 days vaginal/6 days cesarean-section (allows for 2 laboring days)		x
Newborn Nursery and NICU Level II admissions with length of stay 5 days or less (in-network or out-of-network)	x	
Newborn Nursery and NICU Level II admissions exceeding 5-day lengths of stay		x
All NICU Level III and Level IV admissions regardless of length of stay		x
Court-ordered Commitments - admission and discharge notification is required	x	
Residential Treatment Center (RTC), Partial Hospitalization Program (PHP), and Withdrawal Mgmt. up to the benefit limit. All are considered outpatient services. Intensive Outpatient Program (IOP) is not a covered benefit although, DHP does provide for IOP through psychiatric hospitals specifically contracted to provide IOP.	x	
Behavioral Health related Observations/Inpatient Admissions		x
Outpatient facility-based surgeries (unless specified otherwise below)		x
Allergy Services		
Allergy testing	x	
Allergy injections	x	
Ambulance Services		
Ambulance transport for non-urgent/non-emergent medical transportation		x
Ambulance transport for urgent/emergent medical transportation, Emergency Triage, Treat, & Transport (ET3)/Treatment in Place (TIP), or for facility-to-facility transfers for Higher Level of Care	x	
Behavioral Health Services		
Out-of-Network outpatient Behavioral Health services (unless otherwise specified below)	x	
Psychological and Neuropsychological Testing (96130-96133, 96136, 96137) up to 8 hours per calendar year	x	
Psychological and Neuropsychological Testing (96130-96133, 96136, 96137) greater than 8 hours per calendar year		x
Developmental Testing (96112, 96113) up to TMPPM benefit limit	x	
Developmental Screening (96110) up to TMPPM benefit limit	x
