

Join
Parents as Teachers Today

We are currently enrolling families who

- Live in Nueces County
- Have one or more children ages 0-5 years of age
- Pre-natal mothers
- Are able to commit to monthly or bi-weekly visits with their personal certified parent educator

We welcome **parents, grandparents raising grandchildren, guardians, and caregivers**; providing resources for the whole family.

Parents are their children's first and most influential teachers.

For more information or to enroll in the program

Contact us at:

(361) 884-0651 ext. 287

or

Visit us at:
