ATTENTION ALL PROVIDERS

Please see below for updates related to Behavioral Health (BH) Authorization Requirements specifically associated with developmental screening.

Effective 1/1/2018, Developmental Testing (CPT 96111) will require authorization and supporting documentation of medical necessity.

No authorization is required for Developmental Screening (CPT 96110).

These changes will go into effect 1/1/2018.

**Providers may contact the DHP Provider Service Line at
1-877-324-3627 (for Nueces Service Area) or
1-855-425-3247 (for Hidalgo Service Area)
for assistance on any provider issues.**
